

NOVUS DeskStand 200

The quality statement „German Engineering“ ensures that a product was developed according to German quality standards by our engineering experts. All Novus products carrying the „German Engineering by Novus“ signet are manufactured in our own plants around the world by our own workforce, managed and supervised by our head-quarters in Germany.

- Desktop stand for NOVUS TabletSafe
- High-quality, anodised aluminium column with internal cable guide and brushes to allow cables to protrude flexibly at any height
- Stylish metal base provides firm standing
- Ideal for using the TabletSafe on the desk, table or counter
- Moveable connect joint for holding the TabletSafe
- The connect joint provides a swivelling range of 360 degrees - with concealed cable routing, the tablet can be turned through +/- 45 degrees
- Angle of inclination at the connect joint can be adjusted to any position for an optimum viewing angle
- Height of the column: 200mm
