

The workhorse of our advanced range

The advanced mobile workstation range are designed with ultimate flexibility in mind.

Our **MPS1000** can run some of your larger printers for a full 8-hour shift. The smaller design is great for retail environments or tighter warehousing spaces.

Advantages

- › Rugged mobile workstation
- › On-board power (240 volts) available to run your IT equipment
- › Large capacity fixed SLA batteries
- › Integrated multi-stage battery charger
- › Compact design for a reduced footprint
- › PC tray and VESA monitor mounts
