BADGY200

# The Affordable Card Printing Solution

Evolis presents the **Badgy200** solution, designed to help you print professional quality color badges with perfect ease. A complete solution which is economical and easy to use, Badgy200 fulfills all your needs for graphic personalization and instant card production, as single cards or in small batches.

## A Complete Solution

- ⦿ This turnkey solution consists of a plastic card printer, the Evolis Badge Studio®+ card personalization software, and a pack of consumables (color ribbon and blank plastic cards) for 100 prints.
- ⦿ A **free card template library** is available at [www.badgy.com](http://www.badgy.com), where you can personalize the template of your choice, adding texts, photos, barcodes, and more.

## Ease of Use

- ⦿ With the Badgy200 solution, you **print your cards in 3 easy steps in less than a minute**. The card printer is installed and used like a standard office printer and the included software is very intuitive.
- ⦿ The Badgy **print ribbons are easy to install** and automatically recognized.

## Small Footprint

- ⦿ Smaller than an A4 sheet of paper, the printer **can fit easily into any workspace**.
- ⦿ Thanks to its light weight (just 1.7 kg) and its carrying bag (sold separately), **the Badgy can easily be transported**.

## INCLUDED

- ⦿ Online card template library
- ⦿ Evolis Badge Studio® card designer software
- ⦿ Color ribbon + PVC cards (53,98 x 85,60 mm) + 1 cleaning card

# Main Features

## General Features

- Direct-to-card dye-sublimation/  
Resin thermal transfer
